Price: Check with seller

Looking for the top-notch Fence privacy screens: Would you like to install fence privacy screens? Provista Balustrade Systems specializes in installing Euro Slat privacy screens. All their products are made of high-tensile T6 grade aluminium that assure long-lasting performance and high-security screening solutions. The durability, minimalistic design, and styles make these screens the best alternative to the wooden trellis screens. Provista assures guaranteed installation services with complete satisfaction and also maintains NZ Building Code regulations strictly. Call us at 0508 (776-847) & get our services. Visit our website provista.co.nz to know more info.
