Address: **Blenheim, Blenheim**

Price: **400.00 \$**

German Shepherd Puppies: We have a stunning mixed litter of German shepherd puppies waiting for forever loving homes. Mum and dad are both full pedigree and both here to view with pups. My puppies are straight back and short haired. Puppies are fied and wormed to date, micro chipped, come with a scented from mum and a small bag of food.

All of my puppies have great temperaments and have been raised with our loving family with child
